

TECHNICAL DATA SHEET

WO 1000-NT

DESCRIPTION:

WO 1000-NT is a premium slideway lubricant designed to provide excellent stick slip, antiwear, and EP performance. Special additives allow for exceptional thermal and oxidative stability.

WO 1000-NT is formulated to meet Cincinnati machine P-50 and GM LS-2 requirements along with providing excellent filterability and demulsification. These same performance characteristics give it the ability to meet or exceed the performance requirements needed for light to moderate gear oil applications. WO 1000-NT is amber in color and has a very mild odor.

TYPICAL SPECIFICATIONS:

APPEARANCE	Amber/Clear
FLASH POINT	> 400°F
VISCOSITY	1047-1283
SPEC. GRAVITY	0.880

BENEFITS:

- Excellent slip stick
- Exceptional antiwear and EP performance
- Thermal and oxidative stability
- Excellent demulsification
